How to contact us regarding personal data?

Please see the "Contact us" section for information on how to contact us about your rights in relation to the processing of your personal data.

### **What data do we process?**

We process your data which includes information about websites and web applications you have visited, information stored in cookies on your device and its cache, and location data generated by your device.

We also process data collected during your activity on premiogp2.it. Our processing of the above-described data stored in cookies on your device and its cache (including the data provided in your browsing history and the data collected during your activity on premiogp2.it) and the location data generated by your device is necessary due to the nature of the services we provide electronically, which include the provision of content on premiogp2.it.

When providing hosting services, we store on our servers the data that you voluntarily publish on your own using the IT tools provided on the Internet in specific services.

The scope of the specific data processed varies from service to service - we present detailed information for each service in the registration process for the respective service or in the terms of service.
